RESUBMISSION OF
INFORMATION DISCLOSURE STATEMENT GROUP 2100

Sir:

On October 21, 1998, applicants filed an
Information Disclosure Statement in this application.

The intent of this Information Disclosure Statement
was to make the references cited in the parent application,
08/863,717 of record in the parent case. Accordingly, no
copies of the references were included.

Subsequently, the Applicants received a Notice
dated January 7, 1999 in the parent application, stating that
the references submitted in the October 20, 1998 Information
Disclosure Statement would not be considered because they
were filed after allowance and payment of the Issue Fee.

Upon receipt of this Notice, Applicants'
representatives contacted the Examiner by telephone to point

out that the Information Disclosure Statement was intended for two divisional applications, not the parent 08/863,717.

In that telephone conference with the Examiner of the parent case, Examiner Fourson indicated that the PALM system did not show the filing of any Information Disclosure Statement in this application. The Examiner suggested, therefore, that applicants resubmit the Information Disclosure Statement together with the postcard receipt for the present case.

Accordingly, attached are copies of the October 20, 1998 Information Disclosure Statement, and a copy of the return receipt postcard indicating that it was received by the Patent and Trademark Office on October 21, 1998.

Since the return receipt postcard is *prima facie* evidence that the Information Disclosure Statement was timely filed, prompt consideration of the information cited is requested.

Moreover, Applicants are submitting a copy of this paper for filing in the parent application 08/863,717 to make it clear that the October 20, 1999 Information Disclosure Statement was not intended for that case, and the Notice dated January 7, 1999 is therefore moot.

correspondence should continue to be directed to our below

Respectfully submitted,
